## **PRAYERS FOR DELIVERANCE - Prayer for Deliverance and Healing**

“Heavenly Father, thank you for your precious grace and mercy. Lord, thank you, for letting me see another day. Father, thank you, for a new direction and fresh hope. God, as I go through life trying to get close to where you would have me, I’m grateful. That you have never left my side no matter the situation, no matter the state, no matter my mistakes. Lord God, as I continue to move forward with each day, I thank you for your light that keeps on shining within. For your powerful hands that continue to hold and your gracious love that protects me. Lord, You took a sinner like me, the least of those expected. You are using me for your glory. In circumstances that I didn’t ask for, but you chose me for what role you have in mind.

Blessed God, I ask that the same merciful hand and love be extended to those who are in pain and hurting. Lord, may you continue to change the atmosphere Lord so that your light shines on for eternity. Creator of heaven and the earth. God, please continue showering your love throughout this nation to those who don’t know love. Those who don’t know you, or just desire to be in your presence. Father, may they get to know unconditional love through you. I pray that you continue to touch, heal and deliver, send help for those who are in need. Release those who are in spiritual bondage, heal those who are in pain. Send good news to those who are in need of help. Comfort those who are lonely. Strengthen those who feel weak. Give wisdom to those who are confused.
